ORANGE-RESTRICT

Ice Users

- All participants are encouraged to arrive at the facility, dressed and **no sooner than fifteen (15) minutes before scheduled rental.**
- To allow for physical distancing, changerooms will only accommodate a maximum of twelve (12) participants at one time.
- There are three (3) options available when utilizing the ice.

Option 1 (Entire Ice Pad)

- If you are using the entire ice pad, users are limited to twelve (12) total participants, this includes your coaches/guardians if you are **NOT** a designated organization.
- In game format, ice rentals can have a maximum of twelve (12) players on each team; the total number of participants (including coaches, trainers, referees and players) cannot exceed twenty-five (25).
- Participants on the player's bench must maintain two (2) meters of distance at all times.

Option 2 (Bumper Pads, see attached layout)

- Separate the ice surface into two sections.
- Each side of the ice will allow for twelve (12) participants, which includes coaches/guardians if you are **NOT** a designated organization.
- If you are a designated organization, you can have twelve (12) participants with an additional two (2) coaches on each side.
- Coaches are not to go from one designated side to another.
- Each rental will be responsible for setting up their own dividers but will be supplied by the Municipality.

Option 3 (Game Format)

- In the game format, you **CANNOT** exceed twenty-five (25) participants (players, coaches, trainers and referees).
- Each team will have its designated dressing room.
- Before the game, each team must warm up in their own end.
- There cannot be more than four (4) players and two (2) coaches on the player's bench at one time.
- Participants on the player's bench must maintain two (2) meters of distance at all times.

No intentional physical contact.

When not participating on the ice, there must be a minimum of two (2) meters between people (i.e. players sitting on the bench and coaches/trainers behind the bench). Face coverings are required for coaches and trainers at all times.

Spectators will still be permitted with a maximum of one (1) person per family. The spectators are required to view from the designated section, sitting a minimum of two (2) meters apart from each other, face coverings must be worn at all times.

If a user requires their skates to be tied, a coach or guardian may assist while wearing a mask but must exit the dressing room immediately. Due to gathering limits of fifty (50) people, we will only be allowed one (1) spectator per family and we are encouraging spectators to not be in the facility if they do not need to be. Absolutely no stopping in the lobby to view on-ice users.

Each organization or renter who is utilizing the facility shall conduct a passive screening of all participants and spectators before gaining entry into the ice area. If an organization or renter does not have a screening tool, they can utilize this self-assessment document, below. Each organization will be responsible for retaining these screenings for thirty (30) days.

Face Coverings

Face coverings are to be worn at all times when entering the FlightExec Centre. Participants can remove their face covering once they are ready to put on their helmets. At no point before this should a participant not be wearing a face covering.

As per By-law 46-2020, all persons entering or remaining in these premises shall wear a mask or face covering which covers the nose, mouth and chin as required under The Municipality of Thames Centre.

Dressing Rooms:

Participants are to follow the directional signage to the changerooms and ice area. Players are to stay in their rooms until the ice is ready and they will proceed onto the ice through the designated ice entry point in a physically distant format. Players who just exited the ice surface have fifteen (15) minutes to change and exit the facility through the identified exit. No player is to exit the dressing room until the other players have fully entered the ice surface.

At this time, there will be no keys provided for locking changerooms. It will be the responsibility of the organization or renter to monitor physical distancing and direct people to the appropriate locations.

Showers will not be available to users at this time.

Gymnasium Users

- All participants are encouraged to arrive at the facility, dressed and **no sooner than fifteen (15) minutes before scheduled rental.**
- To allow for physical distancing, changerooms will only accommodate a maximum of ten (10) participants at one time.
- There are two (2) options when utilizing the gymnasium.

Option 1 (no divider)

- Utilizing the entire gymnasium, users are limited to twelve (12) participants; only designated organizations can have an additional two (2) coaches.

Option 2 (divider/wall)

- Gym rentals can have twenty (20) people, maximum and only if the gym divider/wall is utilized to define two separate groups of ten (10). Each group must stay on their own side of the divider except for entering and exiting the facility. Individuals cannot alternate between both sides of the divider. When not participating in the sport, there must be a minimum of two (2) meters between users.

- Basketball may only be practiced or played within the facility if they do not allow for intentional, physical contact between players or if they have been notified to avoid physical contact between players. Basketball rentals will have to defer to skill development only, with no physical contact.
- Each organization or renter who is utilizing the facility shall conduct a passive screening of all participants and spectators before gaining entry into the gymnasium. If an organization or renter does not have a screening tool, they can utilize this self-assessment document, below. Each organization will be responsible for retaining these screenings

Track Use:

The track is open to the public from 7:00 a.m. – 10:00 p.m. The public is to use the main stairs located in the lobby as the entrance to the track and to exit near the seating section: A. See signage for more direction. Face coverings must be worn at all times.

The track is not for ice rental warm ups.

Main Lobby and Hallways:

The FlightExec Centre Lobby is for in and out traffic only; this area is not for a warm viewing area. Users and spectators are to sit in the assigned seating within the South Rink Bowl.

Spectator Seating:

APC Rink (South):

Do not access the track or upper track washrooms from your assigned seating area. If spectators need to use the washroom, they are to use the main washrooms located in the lobby. Absolutely no viewing from track railing.

Exiting the FlightExec Centre:

Participants and spectators who are within the facility will be required to exit through the main entrance in the designated lane. Users and participants are not to gather in the lobby and/or hallways.
